- Skilled at working independently and collaboratively in a team environment.
- Passionate about learning and committed to continual improvement.
- Demonstrated respect, friendliness and willingness to help wherever needed.
- Adaptable and proficient in learning new concepts quickly and efficiently.

Detail-oriented and innovative Computer Science Student with a strong foundation in software development, data structures, and algorithms. Seeking a challenging role as a Software Engineer to leverage my skills in programming, problem-solving, and teamwork to contribute to impactful projects.

Skills

- **Programming Languages:** Python, Java, C++, JavaScript
 - **Web Development:** HTML, CSS, Node.js
 - **Frameworks and Tools:** Git
 - **Soft Skills:** Problem-solving, analytical thinking, teamwork, communication
 - ★★★★★ Customer Service
 - ★★★★★ Computer Skills
 - ★★★★★ Problem Solving
 - ★★★★★ Adaptability
 - ★★★★★ Teamwork
 - ★★★★★ Time Management
 - ★★★★★ Decision Making
-

Experience

Freelancer

Ponglon San Jose Camarines Sur

Self-Employed

March 2017 - June 2023

- Designed and implemented responsive websites for various clients using HTML, CSS, and JavaScript, ensuring cross-browser compatibility and optimal performance.
- Built and maintained client-side applications with React, enhancing user engagement through dynamic interfaces and interactive features.
- Conducted client consultations to gather requirements and deliver customized solutions, receiving positive feedback and repeat business.
- Analyzed user feedback to gather input and identify areas required for improvement.

- Negotiated contracts with both clients and vendors effectively, ensuring mutually-beneficial terms were agreed upon.
- Utilized advanced software tools to produce visually appealing designs for client projects.

Maintenance Worker

Ponglon San Jose Camarines Sur

March 2018 - June 2022

- Followed work orders and specifications for machine and equipment replacement, repair, or maintenance.
 - Removed outdoor debris and yard clippings into receptacles to properly maintain grounds.
 - Completed daily, weekly, and monthly checklists on building equipment to maintain records of scheduled maintenance procedures.
 - Assisted in facility renovations, including painting, minor plumbing repairs, and carpentry work.
 - Worked in partnership with fellow team members to successfully complete intricate repair projects, ensuring all tasks were finished within the established deadline constraints.
-
-

Projects

Portfolio Website

- Created a personal portfolio website showcasing skills, projects, and experience.
- Utilized React for front-end development and Node.js for server-side functionalities, improving personal branding and visibility.

Video editing

- Enhanced video quality by applying color correction, grading, and special effects techniques.
 - Contributed new ideas and looked for ways to improve content editing and processes.
 - Edited together video, audio still imagery and motion graphics for creative and informational multimedia projects.
 - Improved client satisfaction by delivering visually engaging content tailored to their specific needs and preferences.
 - Delivered edits with multiple camera angle choices, titles, graphics, audio, and special effects.
